COMMENT ON STATEMENT OF REASONS FOR ALLOWANCE

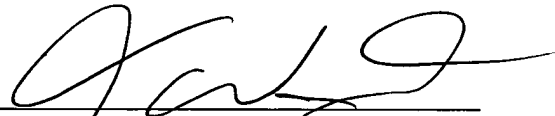

Sir:

The Notice of Allowance mailed on November 22, 2005 contains an Examiner's Statement of Reasons for Allowance. Applicant objects to the Statement for at least the following reasons.

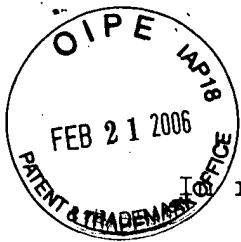

The Statement appears to cite only a portion of the claim language from independent Claims 1 and 8. The independent and dependent claims recite additional language. To that extent, the Applicants object to the Statement.

In general, to the extent that language of the Statement differs from the language of an allowed claim, the Applicants object to the Statement and rejects that such differences create or reflect any narrowing or limitation of the scope of the claim.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. Waxler', written over a horizontal line.
